GCSE 2020: Exam Performance

We are pleased to announce that, despite 2020 being a unique year in the achievement of grades at the end of Year 11, it was yet another very good year for Barnsley Academy students. (*Centre Assessed Grades (CAGs) were used to award students their grades due to Covid-19 preventing the usual GCSE exams*).

The performance data below highlights significant and sustained improvements over the last three years in all areas. We would like to congratulate all students, and their families, on another set of great results.

Well done!
