

Barnsley Academy – (Year 11) (Health and Social Care) Curriculum Overview 2023-24

Autumn Term			Spring Term			Summer Term		
	Class Focus	Homework / intervention		Class Focus	Homework / intervention		Class Focus	Homework / intervention
Week 1	1. Component 1: PSA assessment 2. Component 3: A1 Factors (Cultural)	<ul style="list-style-type: none"> Exam Questions (Physical Factors) 	Week 1	1. Component 2: PSA assessment 2. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students selected intervention for Component 2.	Week 1	1. Component 3: Cyclical teaching of component 3/exam question focus 2. Component 3: Cyclical teaching of component 3/exam question focus	<ul style="list-style-type: none"> Exam questions focused on learning from lesson
Week 2	1. Component 1: PSA assessment 2. Component 3: A1 Factors (Cultural)	<ul style="list-style-type: none"> Exam Questions (Lifestyle Factors) 	Week 2	1. Component 2: PSA assessment 2. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students selected intervention for Component 2.	Week 2	1. Component 3: Cyclical teaching of component 3/exam question focus 2. Component 3: Cyclical teaching of component 3/exam question focus	<ul style="list-style-type: none"> Exam questions focused on learning from lesson
Week 3	1. Component 1: PSA assessment 2. Component 3: A1 Factors (Environmental)	<ul style="list-style-type: none"> Exam Questions (Social Factors) 	Week 3	1. Component 2: PSA assessment 2. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students selected intervention for Component 2.	Week 3	1. Component 3: Cyclical teaching of component 3/exam question focus 2. Component 3: Cyclical teaching of component 3/exam question focus	<ul style="list-style-type: none"> Exam questions focused on learning from lesson
Week 4	1. Component 1: PSA assessment 2. Component 3: A1 Factors (Environmental)	<ul style="list-style-type: none"> Exam Questions (Cultural Factors) 	Week 4	1. Component 2: PSA assessment 2. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students selected intervention for Component 2.	Week 4	1. Component 3: Cyclical teaching of component 3/exam question focus 2. Component 3: Cyclical teaching of component 3/exam question focus	<ul style="list-style-type: none"> Exam questions focused on learning from lesson
Week 5	1. Component 1: PSA assessment 2. Component 3: A1 Factors (Economic)	<ul style="list-style-type: none"> Exam Questions (Economic Factors) 	Week 5	1. Component 2: PSA assessment 2. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students selected intervention for Component 2.	Week 5	1. Component 3: Cyclical teaching of component 3/exam question focus 2. Component 3: Cyclical teaching of component 3/exam question focus	<ul style="list-style-type: none"> Exam questions focused on learning from lesson
Week 6	1. Component 1: PSA assessment 2. Component 3: A1 Factors (Economic)	<ul style="list-style-type: none"> Exam Questions (Environmental Factors) 	Week 6	1. Component 2: PSA assessment 2. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students selected intervention for Component 2.	Week 6	1. Component 3: Cyclical teaching of component 3/exam question focus 2. Component 3: Cyclical teaching of component 3/exam question focus	<ul style="list-style-type: none"> Exam questions focused on learning from lesson
Week 7	1. Component 1: PSA assessment 2. Component 1: PSA assessment	<ul style="list-style-type: none"> Students selected for closing the gap intervention where necessary e.g. Attendance 	Week 7	1. Component 2: PSA assessment 2. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students selected intervention for Component 2.	Week 7	1. Component 3: Cyclical teaching of component 3/exam question focus 2. Component 3: Cyclical teaching of component 3/exam question focus	<ul style="list-style-type: none"> Exam questions focused on learning from lesson
Week 8	1. Component 1: PSA assessment 2. Component 1: PSA assessment	<ul style="list-style-type: none"> Students selected for closing the gap intervention where necessary e.g. Attendance 	Week 8	1. Component 2: PSA assessment 2. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students selected intervention for Component 2.	Week 8		
Week 9	1. Component 3: A1 Factors (Impact of PIES on different types of life events) 2. Component 3: A1 Factors (Factors Assessment)	<ul style="list-style-type: none"> Exam Questions (Life events – Physical events, relationship changes, life circumstances) 	Week 9	1. Component 2: PSA assessment 2. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students selected intervention for Component 2.	Week 9		
Week 10	1. Component 3: B1 Resting HR/Heart Rate/Blood pressure.	<ul style="list-style-type: none"> Exam questions (Physical Indicators) 	Week 10	1. Component 2: PSA assessment	Homework not applicable to PSA assessment. Students	Week 10		

	2. Component 3: B1 BMI/Short and long-term risks of abnormal readings			2. Component 2: PSA assessment	selected intervention for Component 2.			
Week 11	1. Component 3: B2 Nutrition and Physical Activity 2. Component 3: B2 Smoking alcohol and substance misuse	• Exam questions (Lifestyle indicators)				Week 11		
Week 12	1. Component 3: B2 Assessment of Physical and lifestyle indicators 2. Component 3: C1 Person centred approach (the ways in which)	• Exam questions (Lifestyle indicators)				Week 12		
Week 13	1. Component 3: C1 Data interpretation/health and wellbeing improvement plans 2. Component 3: C1 Data interpretation/health and wellbeing improvement plans	• Exam questions (Interpreting data)				Week 13		
Week 14	1. Component 3: C2 Person centred approach 2. Component 3: C2 Support (formal/informal for health and wellbeing)	• Exam questions (Person Centred Approach)				Week 14		
Week 15	1. Component 3: C3 Barriers to recommendation 2. Component 3: C3 Obstacles to recommendations	• Exam questions (Barriers and Obstacles)						
Assessment	- NEA tasks – Component 1 - Demonstrate marking of IP in books. - End of unit test for Component 3 learning aims - Exam questions built into lesson. - Exam Q homework every lesson – forms the basis of the start of the subsequent lesson	Assessment	Assessment	- NEA tasks – Component 2 - Demonstrate marking of IP in books.	Assessment	- Demonstrate marking of IP in books. - End of unit test for Component 3 learning aims - Exam questions built into lesson. - Exam Q homework every lesson – forms the basis of the start of the subsequent lesson
