

**Barnsley Academy – Year 9 Geography Curriculum Overview 2023-24**

Autumn Term			Spring Term			Summer Term		
	Class Focus	Homework		Class Focus	Homework		Class Focus	Homework
Week 1	<b>Unit 1: Climate Change</b>		Week 1	<b>Unit 3: Urbanisation</b>		Week 1	<b>Unit 4: World of work</b>	
	Lesson 1: Evidence of climate change.  Lesson 2: Natural causes of climate change.			Lesson 1: Site and situation.  Lesson 2: Land use.			Lesson 5: Transportation and depositional landforms.  Lesson 6: Impacts of glacial melt.	
Week 2	Lesson 3: Human causes of climate change.  Lesson 4: The greenhouse effect.	Knowledge Organiser / Seneca – Revision	Week 2	Lesson 3: Urban decline  Lesson 4: Opportunities and challenges of urban change.	Knowledge Organiser / Seneca – Revision	Week 2	Lesson 7: Opportunities and challenges of glacial landscapes.  <b>Lesson 8: Opportunities and challenges of glacial landscapes – Extended Writing</b>	Knowledge Organiser / Seneca – Revision
Week 3	Lesson 5: Wave-cut platforms.  Lesson 6: Human vs Natural causes of climate change.		Week 3	Lesson 5: Urban Sprawl.  Lesson 6: Counter-urbanisation.		Week 3	Lesson 9: Managing the challenges in glacial landscapes.  <b>Lesson 10: Glaciation review (closing the gap)</b>	
Week 4	Lesson 7: Effects of climate change.  Lesson 8: Effects of climate change in Bangladesh.	Knowledge Organiser / Seneca – Revision	Week 4	Lesson 7: Sustainable urban areas.  Lesson 8: Sustainable urban areas – extended writing.	Knowledge Organiser / Seneca – Revision	Week 4	<b>Lesson 11: Glaciation review (closing the gap)</b>  <b>Lesson 12: Glaciation review (closing the gap)</b>	Knowledge Organiser / Seneca – Revision
Week 5	Lesson 9: Reducing emissions - dilemma.  Lesson 10: Methods of adaptation and mitigation.		Week 5	Lesson 9: Sustainable living - dilemma.  Lesson 10: Sustainable settlements – decision making exercise.		Week 5	<b>Unit 5: Energy</b>	
Week 6	<b>Lesson 11: Adaptation and mitigation – extended writing.</b>  <b>Lesson 12: Climate change review (closing the gap)</b>	Knowledge Organiser / Seneca – Revision	Week 6	Lesson 11: Sustainable settlements – decision making exercise.  Lesson 12: Decision making exercise - Brisbane floods.	Knowledge Organiser / Seneca – Revision	Week 6	Lesson 1: Energy distribution  Lesson 2: Changing energy mix	Knowledge Organiser / Seneca – Revision
Week 7	<b>Lesson 13: Climate change review (closing the gap)</b>  <b>Lesson 14: Climate change review (closing the gap)</b>		Week 7	Lesson 13: Regeneration – Stratford Olympics.  <b>Lesson 14: Regeneration – Stratford Olympics – extended writing.</b>		Week 7	Lesson 3: Non-renewable energy  Lesson 4: Renewable energy.	
Week 8	<b>Unit 2- Newley emerging economies</b>		Week 8	<b>Lesson 15: Review of urbanisation (closing the gap)</b>  <b>Lesson 16: Review of urbanisation (closing the gap)</b>	Knowledge Organiser / Seneca – Revision	Week 8	Lesson 5: Renewable vs non-Renewables  Lesson 6: Renewable vs non-Renewables – Extended Writing	Lesson 7: Energy decision making exercise.  Lesson 8: Energy decision making exercise.
	Lesson 1: Emerging countries location and features.  Lesson 2: Emerging countries development indicators.	Knowledge Organiser / Seneca – Revision						

Week 9	Lesson 3: Emerging countries development indicators.		Week 9	<b>Unit 4: Glaciation</b>		Week 9	Lesson 9: Fracking case study.			
	Lesson 4: Employment structure in emerging economies.			Lesson 1: The formation of glaciers.			Lesson 10: Fracking case study.			
Week 10	Lesson 5: Emerging Economies – China Lesson 6: Rural-urban migration	Knowledge Organiser / Seneca – Revision	Week 10	Lesson 3: Aretes and pyramidal peaks. Lesson 4: Glacial troughs - u shaped valleys.	Knowledge Organiser / Seneca – Revision	Week 10	Lesson 11: Fracking extended writing Lesson 12: Review of Energy (closing the gap)	Knowledge Organiser / Seneca – Revision		
Week 11	Lesson 7: Location and context of Brazil. Lesson 8: Opportunities and challenges in Rio, Brazil.					Week 11	Lesson 13: Review of Energy (closing the gap) Lesson 14: Review of Energy (closing the gap)			
Week 12	Lesson 9: Opportunities and challenges in Rio, Brazil – extended writing. Lesson 10: Economic growth-South Korea.					Knowledge Organiser / Seneca – Revision	Week 12		Lesson 15: Review of NEEs (closing the gap) Lesson 16: Review of climate change (closing the gap)	Knowledge Organiser / Seneca – Revision
Week 13	Lesson 9: Location and context of Nigeria. Lesson 10: TNCs in Nigeria.						Week 13		<b>Fieldwork</b>	
Week 14	Lesson 11: TNCs in Nigeria – extended writing. Lesson 12: Russia – Decision making exercises.					Knowledge Organiser / Seneca – Revision	Week 14		Lesson 3 – Enquiry Lesson 4 – Write up of enquiry.	
Week 15	Lesson 13: Russia – Decision making exercises. Lesson 14: Review of NEEs (Closing the gap)									
Assessment	Unit 1: Lesson 11 – Extended writing answering the question ‘Evaluate the methods of adaptation and mitigation for climate change’. Unit 2: Lesson 11 – Extended writing answering the question ‘Evaluate the advantages and disadvantages of a TNC operating in an emerging country.’					Assessment	Unit 3: Lesson 14 – Extended writing answering the question ‘Assess the opportunities and challenges of a named regeneration project in a UK city’.		Assessment	End of year assessment – Climate change and NEEs.
